

Nissan Forklift Parts

Nissan Forklift Parts - Nissan takes great delight in attaining complete customer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and detail-oriented quality values to their customers. Incorporating a prosperous heritage combined with strong manufacturing principals, Nissan Forklifts provide many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing customer support, the business has four independent production facilities that permit them to persistently adapt to their clients continually evolving wishes by providing a range of innovative ideas and concepts.

The Nissan Lift truck North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the collaboration, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to maintain environmental responsibility by using techniques that diminish the worldwide effect of their products and processes. These high values remind customers that Nissan operates under the quality seal that their clients require whilst being an environmentally responsive corporation.

Nissan is certain that they will be capable of addressing any client questions or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their community endorsed dealers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and commitment.
