

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery which are known within the business as strong and durable machinery that meets the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to supply warranty service, machinery and components for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Wal-Mart and Target. The 7765 line has earned the respect of numerous facility managers where efficiency and results count. Recently, this particular floor scrubber model has been utilized by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location due to the model's excellent quality and supreme performance level for polishing concrete.
