

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They like offering items which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When needed, the personnel within TREK and its many dealer members in both technical support and parts will be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines functioning and ready day after day is top priority. The company's top of the line technology delivers dependable equipment which eventually lessens your cleaning cost. The service, the product and the price all work as one to be able to make them an industry leader.
