

## **Forklift Electrical Parts**

Forklift Electrical Parts - Forklifts and other lift trucks may have specific labels used in certain hazardous locations. The label indicates that this certain model of lift truck meets the minimum standards of ANSI/UL 553 for electric forklifts or ANSI/UL 558 for internal combustion engine forklifts.

The use for labels for lift forklifts can be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance provider and Fire Marshall for more info on the approved uses of industrial powered lift trucks in your application.

If the lift truck has been proven to satisfy the outlined criteria, the following labels can be put. A marked truck would have the type designation put on the lift truck nameplate and would have one of the following labels put.
