

Fork Mounted Sweeper

Fork Mounted Sweeper - This particular accessory truly makes industrial sweeping work a lot easier to do. The versatile lift truck mounted broom is designed for use with either wet or dry material clean ups. It can push snow and squeegee water easily. This accessory is frequently used in order to clean garbage from warehouses, construction sites, docks, parking lots and virtually anywhere it is required. The forklift sweeper is a low maintenance attachment which utilizes quick-tite fork products to easily attach to the forklift.
